

SCC Electrical offers you an outstanding opportunity and an affordable way to safely secure your electrical system. Each Member Protection Plan will identify potential hazards before actual problems present themselves in the form of costly repairs. All plans include an annual safety inspection, reduced parts pricing and complete peace of mind. Whether you choose the Silver, Gold or Platinum Plan, SCC Electrical will be here for you. Call SCC Electrical at 719.219.0960 if you have any questions on the Member Protection Plan. Complete plan features and details are listed below for you to conveniently compare and decide. A handy sign-up form is included in this brochure. Join Today!
